Dated: 24.05.2020

ORDER

World Health Organization (WHO) declared COVID -19 as pandemic on 11.03.2020 and to enhance the preparedness and containment of novel Corona Virus (nCOV) the Delhi Epidemic Diseases, COVID 19 Regulation, 2020 was notified on 12.03.2020 by the order of Hon'ble Lt. Governor of NCT of Delhi.

Presently, 10 (ten) private hospitals have been declared as COVID-19 dedicated hospitals vide Order Nos. 52/DGHS/PH-IV/ COVID-19/2020/prsecyhw/6244-6261; 7323-7392 & 7615-7674 dated 30.04.2020; 09.05.2020 & 16.05.2020, respectively for admitting confirmed/ suspected cases of COVID-19 on payment basis.

It has been found that in the recent past majority of beds earmarked for COVID-19 patients in the dedicated private hospitals are occupied at any given time. Therefore, there is a need to increase the number of beds dedicated for COVID-19 patients in the private hospitals in the city.

As on date, there are 117 private hospitals/ nursing homes having bed strength of 50 beds or more registered under Delhi Nursing Homes Registration Act, 1953 with this Directorate.

In order to increase the bed capacity for COVID-19 patients, all 117 nursing homes/private hospitals having bed strength of 50 beds or more are directed to reserve/ earmark at least 20% of their total bed strength for COVID-19 patients.

Further, during the period of pandemic the clauses w.r.t. space & manpower mentioned in the Schedule appended to Rule 14 of Delhi Nursing Homes Registration (Amendment) Rules, 2011 would be relaxed for these 117 private hospitals / nursing homes and they would be allowed to accommodate 25 % extra beds depending on space availability for non-COVID patients, if they choose so.

These 117 private hospitals shall bill the COVID-19 patients as per their respective schedule of charges. However, the billing for non-COVID patients admitted on extra beds shall not be more than 50% of the lowest economy category of the concerned hospital as per earlier practise during upsurge of cases of vector borne diseases.
