ORDER

The COVID patients who need dialysis treatment in Delhi are finding it difficult to get their dialysis done, despite of the fact that Lok Nayak Hospital was assigned to create enough in-house capacity and sufficient capacity through outsourced agency to serve all COVID patients of Delhi who needs dialysis. This has been reviewed at the level of Hon'ble Minister (H&FW) also at various occasions.

In view of above and in continuation of earlier order No. 52/DGHS/PH-IV/COVID-19/2020/prsecyhfw/5714-21, dated 24th April, 2020. Medical Director, Lok Nayak Hospital and Director, DGHS are directed to make in-house dialysis facility operational on 24X7 basis and renegotiate rates with the outsourced agency to make their facility at Lok Nayak Hospital operational exclusively for COVID patients immediately, not later than 30/04/2020 evening.
