ORDER

Lok Nayak Hospital being dedicated hospital for Covid-19 cases, the Thalassemia ward/daycare center in Lok Nayak Hospital has been converted into isolation ward, therefore Thalassemia patients registered with Lok Nayak Hospital shall henceforth get their blood transfused in Thalassemia ward of GTB/DDU/other nearby Hospitals.

However, Lok Nayak Hospital Blood Bank shall do the testing and issue blood to their registered Thalassemia patients and clearly mention "cross-matching done at LNJP Blood Bank and to be transfused at Thalassemia ward/day care centre in GTB/DDU/other hospital", so that Thalassemic cases can straight away report there for transfusion.

In case of insufficiency of blood supply or any issues related to functioning of LN Hospital Blood Bank, Blood may be issued by GB Pant Blood Bank after testing and cross-matching to Thalassemia patients registered with LN Hospital.
