Subject: Important Update: Price increase Effective October 1, 2024

Dear Valued Customer,

At Fisher & Paykel Healthcare, our commitment to continuously improving our offerings both clinically and commercially remains steadfast. We strive to provide best-in-class solutions to our customers, ensuring high-quality products that deliver the best patient outcomes.

However, as the global economy continues to evolve, we are experiencing significant inflation, particularly in raw materials and freight costs. These unprecedented changes, largely beyond our control, have been further complicated by recent global developments, leading to significant dollar fluctuations and increased costs across industries.

To maintain the high quality of our products and ensure our long-term success, we must inform you of a necessary price increase for most of our products by at least **10%, effective October 1, 2024**. This adjustment will enable us to continue providing the best solutions for our customers and patients.

We appreciate your understanding and continued support during these evolving times. Rest assured, our commitment to serving you and delivering exceptional products and services remains our top priority.

Thank you for your ongoing partnership.

Yours faithfully,
Fisher & Paykel Healthcare India Pvt. Ltd.

Prashant Kate | General Manager - India, Srilanka, Bangladesh and Nepal
